Railway Modellers Open Day – Tuesday 7th August

Have you ever wondered what we get up to operating our model railways? A chance for you to find out between 2.00 pm & 4.00 pm at 24 Wenwell Close, Aston Clinton. Hopefully the weather will stay fine and my garden railway will be operating with live steam and battery powered locomotives. Another OO scale layout will be on show in the carport. Tea and biccies will be available for the modest sum of 50 pence. If you do plan to come it would be appreciated if you could telephone me before the day so Management knows how many to cater for.

If you have got any old trains in the attic then do bring them along - always interesting to see.

The next meeting will be on 3rd October when we will be visiting Meads Farm Shop to look at the rape seed plant and learn how the oil is flavoured with various herbs and spices.
